

## HOMEWORK

The important point from the video How to Make a LinkedIn Profile with No Working Experience has:

### 1. The three reasons we should use linkedin

- ✚ Personal branding
- ✚ callback
- ✚ more visible

### 2. Step to create an account linkedin are:

- ✚ Upload a linkedin profile picture that has half of your body.
- ✚ Design background to be suitable for our story and what we want to tell
- ✚ Edit our introduction and location
- ✚ Make our profile impressive and detail the expertise of the job and graduate
- ✚ Add background education.
- ✚ Update and summarize the info that we did on the career
- ✚ Put the keyword that is important on the profile
