Ezecom

Dear Sir/ Madam,

I'm excited about a **Web internship** Opportunity at Ezecom. Pursuing an Associate degree in web developer at PNC, I'm so pleased to bring all my professional skills, expertise, and young creative energy to contribute and build good collaboration with your team.

I have acquired a solid foundation in programming languages such as JavaScript, PHP, Node JS, Laravel, and VueJS as well as MySQL databases . My coursework in algorithms used Python and database has equipped me with the technical knowledge necessary for web intern roles.

As an intern at Ezecom, I do want to drive into Web development and learn more from your team expertise to grow my ability. I'm confident my skills and passion will benefit your team. I'm eager to discuss how my background and skills align with your team's needs. I'm available for an interview at your earliest convenience and can be reached at 070-685-943 or heangbut5@gmail.com.

Great thanks for your consideration. I look forward to hearing from you

Faikfally,

Sokheang Both
